

Introducing the

LAURA ASHLEY

Limited Edition Sewing Machine!

*A Touch of English in Every Stitch*

## Innov-is NX-2000

### SPECIFICATIONS / BENEFITS

- **Built-in stitches, buttonhole styles and fonts**
  - › 460 built-in sewing stitches, 430 built-in and 30 on CD, including 12 styles of one-step buttonholes and 3 sewing lettering fonts.
- **Automatic Height Adjuster™ AHA® Feature**
  - › Achieve perfectly formed stitches as you sew over varying fabric thicknesses and intersecting seams. Perfect for stitching home décor and quilts with varying fabric types, appliqués or embellishments.
- **Pivot function**
  - › The presser foot automatically lifts as the needle remains lowered for fast and easy fabric manipulation. Provides perfectly executed stitches on corner turns, a must feature for mitered corners, bound buttonholes, welt pockets and so much more.
- **Free-motion stitching**
  - › The foot height adjusts for perfect free-motion projects. The three included free motion feet provide for excellent fabric handling in all areas of free-motion work.
- **Memory**
  - › Save stitch settings of your favorite stitches and stitch combinations for use in future projects.
- **Advanced needle threading**
  - › Easily threads the needle and helps save wear and tear on eyes/fingers.
- **Thread sensors**
  - › Focus on what you love—sewing—and let the machine do the rest! Machine automatically stops sewing prior to running out of bobbin thread and displays a low bobbin indicator on the screen, while the upper thread tension sensor recognizes when upper thread is empty or broken.
- **Multiple cutting operations**
  - › Automatic scissor function pulls upper and lower threads to the back side and trims both for a more professional look. On-board scissors and programmable trimming allow you to cut the thread with just the touch of button.
- **Back to Beginning Feature**
  - › Make matching columns of stitches with ease or have design segments start at the very first stitch of a design with the push of a button.
- **Computer connectivity with update capability**
  - › Enjoy free machine updates from your computer.
- **Super bright LED lights**
  - › Helps reduce eye strain when sewing on dark fabrics and helps you ensure accurate seams and stitch quality.
- **Feed dogs for high-speed stitching**
  - › 7-point feed dogs make it possible to create beautifully formed decorative stitches at high speeds with minimal fabric guiding.
- **Adjustable presser foot height**
  - › Change the presser foot height with the touch of a button to allow for passing thicker sections of garments under the presser foot.
- **Adjustable presser foot pressure**
  - › Adjust the presser foot pressure for smoother delivery of fabric height variations.

- **Multiple needle positions**
  - › Flexibility to sew at precise points for a wide range of projects with 15 different needle positions.
- **Safety Screen Lock**
  - › Screen lock secures stitch attribute information on the screen as you sew and locks the screen while the machine needle is being changed, ensuring settings and stitches are never lost.
- **My Custom Stitch™ Feature**
  - › Create personalized sewing stitches for any style of sewing. An incredible feature that will allow expansion and customization for years to come, by saving stitches to the machine's memory.
- **Directional feeding**
  - › Sew straight stitches in eight directions and zigzag in four directions. Useful for sewing in small areas that cannot be manipulated easily, such as sleeves and baby clothes.
- **Buttonholes and button sewing**
  - › Choose from 12 one-step buttonhole styles and use the button attachment stitch to attach buttons and trim thread in one easy step.
- **Stitch Editing Feature**
  - › Expand the number and style of stitches in your machine with easy stitch editing for size, density, width and height. Create a personal library of stitches by combining decorative stitch patterns.

### INCLUDED ACCESSORIES

- **Circular Sewing Bundle**
  - › Attach the measured circular sewing attachment and make concentric circles, arcs and more. Embellish your creations with decorative threads using the included braiding and cording feet.
- **Bobbin Work Bundle**
  - › Follow the included instructions to make three dimensional stitchery! Specialty thread bobbin case, slotted bobbin cover and adjustment tool, as well as the easy-to-set bobbin cases, make “upside down” sewing easy!
- **Included accessory feet**
  - › 15 included Accessory Feet including a Stitch Guide Foot, Appliqué Foot, Buttonhole Foot and adjustable Zipper Foot add a new level of convenience to your sewing.
- **Specialty needle included**
  - › Enjoy sewing with twin needles to create couture finishes for your garments and home décor items.
- **Accessory case**
  - › Store all the tools to do great projects in the convenient onboard dual accessory compartment.
- **Knee Lifter**
  - › Keep hands free with the presser foot knee lifter.
- **Large extension table included**
  - › Easy to install and expands your sewing work area to easily handle large projects like drapes, tote bags and garments.

Without Wide Table: 20.1 inches (W) x 12.0 inches (H) x 10.2 inches (D) • 24.9 lb.  
With Wide Table: 29.6 inches (W) x 12.0 inches (H) x 16.0 inches (D) • 29.3 lb.
